

March 1, 2017

Attn: Guidance Counselors

Dear Colleague:

Lawrence Technological University is delighted to partner with your school to offer the fifteenth annual Award for Excellence in Science and Mathematics and an \$8000 scholarship which recognizes **11<sup>th</sup> grade students** for outstanding academic achievements in these skills.

We appreciate your assistance, along with that of your science and mathematics teaching staff, in helping us identify and nominate the **one** student who should receive your school's **LAWRENCE TECHNOLOGICAL UNIVERSITY AWARD FOR EXCELLENCE IN SCIENCE AND MATHEMATICS**.

The award includes an \$8000 Lawrence Tech Scholarship (\$2000 each year, renewable for four years), which the recipient may apply toward any of our undergraduate degree programs in Engineering, Architecture, Arts & Sciences, and Management. The student selected to receive the award at your school must meet these criteria:

1. Be a high school junior in the academic year of 2016-2017
2. Complete at least one year of chemistry or physics and two years of college preparatory mathematics courses with distinction by June 2017 (**see reverse side for details**)
3. Be an active and responsible citizen of the school and community

As one of the nation's premier universities preparing youth for the opportunities in technological careers, all of us at Lawrence Tech are excited about working with our educational colleagues at your school. In particular, we are honored to partner with you and your staff in recognizing and encouraging achievement, scholastic excellence in science and mathematics, and citizenship.

**We ask that you complete the nomination online by May 1, 2017, using this link:**  
<https://apply.ltu.edu/register/mathandscience>. **LATE SUBMISSIONS WILL NOT BE ACCEPTED.**  
We will mail an award letter and certificate to your school within 2 weeks of receiving your nomination. Please contact Colette Johnson at 248.204.3169 if you have any questions about this award. For more information about Lawrence Tech and the programs we offer, please visit [www.ltu.edu](http://www.ltu.edu). Best wishes from all of us at the Lawrence Tech campus!

Sincerely,

Jane Rohrback  
Director of Admissions  
21000 West 10 Mile Rd.  
Southfield, MI 48075

### **Guidelines for selecting nominee**

- Must be a current high school Junior (academic year 2016-2017)
- Must have completed at least one year of chemistry or physics, plus at least two years of college preparatory mathematics courses with distinction by June 2017
  - a. College preparatory math includes Algebra I, II, III, Geometry, Precalculus, Trigonometry, Calculus, Probability & Statistics
  - b. With distinction - student holds a "B" (3.0 GPA) or better grade in those courses
- Must be an active and responsible citizen of school and community

**NOTE:** In order for your nominee to receive the scholarship monies, he/she must complete high school with a G.P.A. of 3.0 or higher AND a composite 22 ACT or 1050 SAT I (Critical Reading + Math) or 1100 SAT R (Evidence Based Reading + Math). If the nominated student applies for admission to Lawrence Tech we will verify that they meet the award scholarship criteria at that time. Students are eligible to apply for admission anytime after completing their junior year.
