October 8, 2013

Dear Parent/Guardian:

The Brentwood School District has implemented **eSchooldata's Parent Portal**, a web-based program that will allow you to access information about your child's academic progress. This program will allow you to obtain information such as attendance, schedules, progress reports and report cards and provide a means to communicate with your child's teachers.

Individual progress reports and report cards will be printed, mailed and published on the Parent Portal.

To take part, visit the Brentwood website at www.bufsd.org and find and click on the words: **eSchooldata Parent Portal**, located on the right, within the Portal Access area. This will take you to the page containing the portal login. At the login screen, you will need to enter your confidential username and password, provided below.

***Note: Do **NOT** click the "**Online Registration**" link.

Username: <<UserID>>

Password: <<Temporary_Password>>

Please note that your username and password are case sensitive.

You will be prompted to change your password and enter a valid email address the first time you log in. Once you have logged in click on your student's name in order to view his/her information.

The above username will be the same throughout your child's education in the Brentwood School District, unless you choose to change it.

For questions regarding specific information about your student(s) grades or academic progress, please contact your student's school directly. If you have any questions regarding the use of this program please call 631-972-1590 or e-mail parentportal@bufsd.org.

Sincerely,

Scott Hartman
Assistant Superintendent for Secondary Education,
Programs and Policy
